

# BoundarySol

Fast track, Lightweight  
Boundary Solution.

# ABOUT BOUNDARYSOL

---

BoundarySols is made using high quality concrete and Prestressed wires. Our unique ready-to-install BoundarySol solution has become an ideal solution for efficient and speedy boundary and fencing construction. Optimised H Column and Panel sections allow for Faster Installation and Minimal Space usage.

## STANDARD SIZE

### Precast, Prestressed H Columns

150mm x 150mm with 4 nos 4mm Prestressed Strands

### Precast, Prestressed, Panels

300mm x 50mm with 4 nos 3mm Prestressed Strands

## STRENGTH

Made using high quality M30 grade Concrete and Prestressed Wires

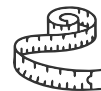

## SPEED

Optimised sections allow for a lightweight solution that can be installed manually

## LABOUR

Less required for installing H columns & panels

## SPACE

Thinner Column and Panel sections use less space than conventional solutions

## QUALITY

Factory Production leads to Superior Quality

## SCALABILITY

Produced using modern Straight Line Casting allowing for quick and economical scalability

## COST

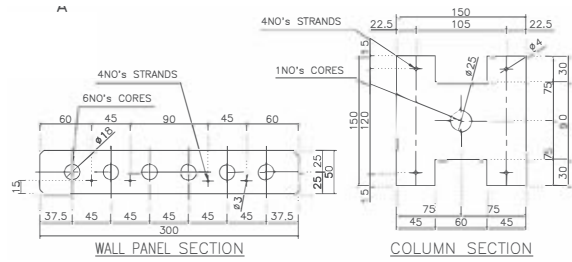

More economical than conventional fencing solutions

## SAFETY

Impervious to weather and water. Effective barrier against wind with ability to withstand ground movements

# TECHNICAL SPECS

METRIC	VALUE
Concrete	M30 Grade
Prestressed Reinforcement	3mm and 4mm Prestressed Wires

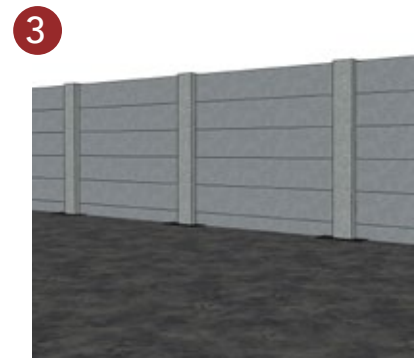

# INSTALLATION

Erect H columns on footing

Slide panels into H column

Level ground with filling

## REPLACES

STONE MASONRY WALLS | BRICK WALLS | STEEL PATRA FENCING

## AREAS

LAND PARCLES | CONSTRUCTION SITES | LAND PARTITIONS

# ABOUT US

ILLUMINATI BUILDING SOLUTIONS

is a Precast Concrete Manufacturer based out of Maharashtra, India. We are a sister concern of the Shree Naman Group.

We manufacture Structural and Non-Structural Precast Concrete Elements for the Civil and Infrastructure industries from our yard in Wada, Maharashtra

Our Quality, Service, Integrity (QSI) approach sets us apart from our competitors in a rapidly growing market. Our aim is to provide the highest quality material at the lowest price with a laser like focus on precision and service.

## WALLSOL

Precast light-weight concrete partition walls, form finished & ready-to-install

## PRECAST STRUCTURE

Precast RCC Walls, Slabs, Beams, Columns and Staircases for an entire Structure made in Precast

## DRAINS

Precast RCC U Drains for Storm Water or Trench Purposes

## CUSTOM PRECAST

Customized Precast Solutions for Infrass and Civil requirements
